TO: Peer Evaluators with International On-Site Evaluation Visits (Spring 2020)
FROM: Christy Faison, MSCHE, Senior Vice President for Accreditation Relations
CC: Sean McKittrick, MSCHE, Vice President for Institutional Field Relations
RE: Commission Delay of International On-Site Evaluation Visits
DATE: March 4, 2020

On March 4, 2020 the Middle States Commission on Higher Education (MSCHE) acted to delay the On-Site Evaluation Visits for H. Lavity Stoutt Community College. That action is as follows:

To delay the On-Site Evaluation Visit scheduled for Spring 2020 due to extraordinary circumstances and to continue accreditation. To note the institution remains accredited during a delay granted by the Commission. The evaluation visit is now scheduled for 2020-2021, one year from the original date of the visit.

On March 2, 2020 the Commission acted to prohibit international travel until further notice. This action was made out of an abundance of caution and in light of the fact that the information available and the impact of the coronavirus is changing rapidly. The delay of the scheduled visit is consistent with the Commission's [Accreditation Actions Policy and Procedures](#). In accordance with Commission policy, the visit must be rescheduled within one calendar year.

Teams have already supported a tremendous amount of work for the on-site evaluation visit, and staff hope that each of you will be able to participate in the rescheduled visits. We ask that the Team Chairs and MSCHE Vice Presidents work with the institutions in rescheduling the visits within the next year, as conditions and schedules permit. Team chairs and members can outreach to the MSCHE Vice President with any questions about this Commission action or the next steps involved.

In terms of travel plans and existing expenses, please work with travel companies and airlines to request refunds or credits for future flights as may be permissible. Any expenses that you have already incurred should be submitted using our existing travel reimbursement procedures.

Thank you for your understanding in this matter. We appreciate your service as a peer evaluator and look forward to your continued participation in the rescheduled visits.
